PRESS RELEASE

SUBJECT: MIPD Launches on-line Traffic Reporting

DATE/TIME: 11/12/10 at 7:00PM

Middleton residents can now report on-going traffic problems in their neighborhoods online at www.MiddletonPD.com . Traffic problems will be evaluated, prioritized, and tracked. In some cases speed data will be collected, speed awareness trailers deployed or officers assigned. Reporting persons will notified of the outcome, and collected speed data posted on-line. On-line reporting is best suited for persistent on-going traffic problems. Please call the police for isolated flagrant incidents.

Surveyed Middleton residents have consistently reported that speeding is the most significant police problem in their neighborhoods. Last year, Middleton Officers investigated nearly 700 accidents, made over 5000 traffic stops, and issued 6,806 traffic citations and warning.
