

MIDDLETON POLICE DEPARTMENT

7341 Donna Drive Middleton, WI 53562

Brad Keil - Chief of Police

MEDIA RELEASE

03/26/2012

In an effort to help reduce incidents of bicycle theft and help police identify owners of the hundreds of lost bicycles picked up each year, the Middleton Police Department has launched a FREE online bicycle registration system.

City of Middleton residents should go to the Police Department website, www.MiddletonPD.com and look for the bicycle registration link under online services. You will be able to submit descriptions, serial numbers and even upload pictures for up to five bicycles per transaction.

**TAKE A BITE OUT OF
CRIME®**

It is our hope that everyone in the City of Middleton will take advantage of this FREE program so more bikes can be returned to their rightful owners and, in the unfortunate event that your bike is lost or stolen, we will have the information necessary to increase the likelihood of having your bike recovered and returned.

In addition, we hope people will think twice about stealing bikes in the City of Middleton because there will be a good chance the Police Department has identifying information about the bike and its owner.
